

Organisational Profile

[Impact@Africa](#) is a **Pan-African impact investment ecosystem development network** that brings together all ecosystem players and provides a strong and unified voice.

The Network's purpose is to support the creation of a **vibrant environment for impact investing in Africa**, by helping to address the key barriers that inhibit the development and growth of the impact investing sector on the continent and the realisation of the **Sustainable Development Goals (SDGs)** and the **African Union (AU) Agenda 2063**.

Impact@Africa emerged through a **multi-stakeholder effort between the United Nations Development Programme (UNDP)**, the **African Union Commission (AUC)** and **impact investment leaders** from across Africa.

The Network was **launched in June 2018** at the Responsible Business Forum (RBF) on Sustainable Development in Johannesburg, South Africa. Impact@Africa is **registered in Kenya** as "Impact Council for Investment in Africa Ltd". The Network is led by a **Board** composed of impact investment stakeholders, which currently include:

UNDP, through its Regional Service Centre for Africa (RSCA), serves as the **interim-Secretariat** of Impact@Africa until the Network has evolved into a fully-fledged independent organisation funded primarily through membership contributions. Impact@Africa and its Board operate on a not-for-profit basis.

The Impact@Africa Board oversees the implementation of the [Impact@Africa Strategic Plan 2017 – 2022](#) and is guided by the [Impact Investment in Africa Action Plan](#), which details the outcome areas requiring attention for the impact investment sector to grow across Africa.

At the Impact@Africa Strategic Consultative Meeting held in Addis Ababa, Ethiopia in May 2019, the Network defined its immediate **strategic priorities as advocacy and outreach, ecosystem thought leadership, and membership development**.

Among other touch-points throughout 2019 in partnership with other impact investment stakeholders, Impact@Africa is planning to hold its **Annual Conference and Annual General Meeting** in Nairobi, Kenya on 2 December 2019 within the context of the RBF 2019.
